

Established by **Hrushikesh Kale**, Topfruit began with a vision to bring premium Indian produce to global markets.

From grape exports, it has grown into a multi-commodity platform across fruits, spices, and seafood.

Today, Topfruit is a 9-member, **Europe-registered company** with strong on-ground presence and direct market access.

“Topfruit was created to build a bridge between exporters and global markets, especially Europe.”

- Hrushikesh Kale (Founder)

What We Do for Exporters:

✔ Buyer Identification & Verification

We connect you with verified European buyers, minimizing risk.

✔ Market Research & Intelligence

Real EU insights - trends, pricing, competition- so you avoid guesswork and losses.

✔ Buyer-Seller Connection

We facilitate direct meetings and deals, turning inquiries into orders faster.

✔ European Representation

Our Europe-based presence acts as your local partner, building trust & supporting negotiations.

✔ Compliance & Market Entry Support

We guide EU compliance and documentation for smooth, error-free market entry.

✔ Your Physical Presence in Europe

We provide a physical presence in Europe as your company's on-ground and port representative.

Your Registered European Partner
